

# Mid-Continent Exploration and Production Safety Network (MCEPS)

It is time for the group meeting of oil and gas industry leaders and OSHA to once again come together for the purpose of discussing safety issues, heightening awareness and working together to find solutions while sharing information and training opportunities. We are very pleased to have **Howard Sewell, ARM Liberty Mutual Insurance Company** speaking on "**Loss Risk Management.**"

His presentation will discuss the energy business "macro" loss areas by coverage with a focus on auto: the leading indicator and highest severity driver:

- a. The types of accidents
- b. Discuss good fleet safety program elements as keys to reducing risk

Attached you will find the agenda for the industry wide group meeting to be held on **January 21, 2016** at the **Francis Tuttle Technology Center, Rockwell Campus** at 12777 N Rockwell Avenue in Oklahoma City OK, Room **D1750A, in the Northwest Hall(Original Room)**. The phone number is [405-717-7799](tel:405-717-7799).

Directions: <http://www.francistuttle.com/campuses/rockwell.html>

Please forward this information on to all interested persons concerned with making the oil and gas industry a safer workplace.

If you or your company is interested in sponsoring meetings or breakfast, please contact Justin Lawson at [JustinL@cactusdrlg.com](mailto:JustinL@cactusdrlg.com).

We look forward to seeing everyone this week! My apologies if you receive a duplicate email as we change over members of the executive team!!
